MARKET-DOMINANT PRICE CHANGE

Docket No. R2022-1

UNITED STATES POSTAL SERVICE NOTICE OF FILING UPDATED MAIL
CLASSIFICATION SCHEDULE LANGUAGE
(April 12, 2022)

On April 6, 2022, the United States Postal Service filed a notice of Market-Dominant price changes in this docket. The Postal Service here files a corrected version of its updates to the Mail Classification Schedule in Attachment A, detailed below.

Shortly after filing Docket No. R2022-1, the Postal Service discovered errors in the January 9, 2022 revision to the Mail Classification Schedule listed on the Postal Regulatory Commission website.¹ In particular, this version of the Mail Classification Schedule did not include updates to Promotions that the Postal Service detailed in its price case notice filing for R2021-2. The Postal Service used the January 9, 2022 revision to the Mail Classification Schedule from the Commission website as the basis for Attachment A to the price case notice for Docket No. R2022-1 and, therefore, the revision to the Mail Classification Schedule that the Postal Service submitted as part of its filing for Docket No. R2022-1 on April 6, 2022 included outdated Promotions information.

The Promotions errors found in the Commission's January 9, 2022 revision to the

¹ Available at https://www.prc.gov/sites/default/files/mcs/MCSRedline01092022_0.docx.

Mail Classification Schedule have been corrected in its March 31, 2022 revision. In order to harmonize the Promotions information for Attachment A to the price case notice for Docket No. R2022-1 with the March 31, 2022 revision (and the Postal Service's price case notice filing in Docket No. R2021-2), the Postal Service here files an updated version of Attachment A to the price case notice for Docket No. 2022-1.

Respectfully submitted,

MARKET DOMINANT PRODUCT DESCRIPTIONS

The product descriptions provided in this document include information necessary for maintaining the market dominant product list pursuant to the Postal Accountability and Enhancement Act of 2006 (Public Law 109-435). For specific standards relating to postal products and services, including preparation and mailing requirements, please refer to the latest versions of the Domestic Mail Manual and the International Mail Manual, which are published and maintained by the United States Postal Service (pe.usps.gov).

1100 First-Class Mail**1100.1 Class Description**

- a. Any matter eligible for mailing, except USPS Marketing Mail (Commercial and Nonprofit) entered as Customized MarketMail, may, at the option of the mailer, be mailed by First-Class Mail service.
- b. Matter containing personal information, partially or wholly handwritten or typewritten matter, or bills or statements of account must be mailed by First-Class Mail service, unless: (1) it is mailed by Priority Mail Express service or Priority Mail service, (2) it meets the USPS Marketing Mail or Periodicals mail preparation requirements for incidental First-Class Mail attachments or enclosures, or (3) it is otherwise exempt under title 39, United States Code.
- c. First-Class Mail pieces are sealed against postal inspection and shall not be opened except as authorized by law.
- d. First-Class Mail pieces that are undeliverable-as-addressed are entitled to be forwarded or returned to the sender without additional charge.
- e. An annual mailing fee is required to be paid at each office of mailing by any person who mails at presorted or automation prices (1505.2). Payment of the fee allows the mailer to mail at any First-Class Mail price.

Mail matter that otherwise qualifies for USPS Marketing Mail service may be mailed at Nonprofit USPS Marketing Mail prices if it is entered by an authorized entity and meets the additional eligibility restrictions set forth in the Domestic Mail Manual. The following entities may be authorized by the Postal Service to send USPS Marketing Mail at Nonprofit USPS Marketing Mail prices:

- **Religious Nonprofit.** A nonprofit organization whose primary purpose is: (i) to conduct religious worship; (ii) to support the religious activities of nonprofit organizations whose primary purpose is to conduct religious worship; or (iii) to perform instruction in, to disseminate information about, or otherwise to further the teaching of particular religious faiths or tenets.
- **Educational Nonprofit.** A nonprofit organization whose primary purpose is: (i) the instruction or training of the individual for the purpose of improving or developing his capabilities; or (ii) the instruction of the public on subjects beneficial to the community.

An organization may be educational even though it advocates a particular position or viewpoint so long as it presents a sufficiently full and fair exposition of the pertinent facts to permit an individual or the public to form an independent opinion or conclusion. An organization is not educational if its principal function is the mere presentation of unsupported opinion.

- **Scientific Nonprofit.** A nonprofit organization whose primary purpose is: (i) to conduct research in the applied, pure or natural sciences; or (ii) to disseminate systematized technical information dealing with applied, pure or natural sciences.
- **Philanthropic Nonprofit.** A nonprofit organization primarily organized and operated for purposes beneficial to the public. Philanthropic organizations include, but are not limited to, organizations that are organized for: (i) relief of the poor and distressed or of the underprivileged; (ii) advancement of religion; (iii) advancement of education or science; (iv) erection or maintenance of public buildings, monuments, or works; (v) lessening of the burdens of government; (vi) promotion of social welfare by organizations designed to accomplish any of the above purposes or: to lessen neighborhood tensions; to eliminate prejudice and discrimination; to defend human and civil rights secured by law; or to combat community deterioration and juvenile delinquency.
- **Agricultural Nonprofit.** A nonprofit organization whose primary purpose is the betterment of the conditions of those engaged in agriculture pursuits, the improvement of the grade of their products, and the development of a higher degree of efficiency in agriculture. The organization may advance agricultural interests through educational activities; the holding of agricultural fairs; the collection and dissemination of information concerning cultivation of the soil and its fruits or the harvesting of marine resources; the rearing, feeding, and management of livestock, poultry, and bees, or other activities relating to agricultural interests. The term agricultural nonprofit organization also includes any nonprofit organization whose primary purpose is the collection and

dissemination of information or materials relating to agricultural pursuits.

- **Labor Nonprofit.** A nonprofit organization whose primary purpose is the betterment of the conditions of workers. Labor organizations include, but are not limited to, organizations in which employees or workmen participate, whose primary purpose is to deal with employers concerning grievances, labor disputes, wages, hours of employment and working conditions.
- **Veterans' Nonprofit.** A nonprofit organization of veterans of the armed services of the United States, or an auxiliary unit or society of, or a trust or foundation for, any such post or organization.
- **Fraternal Nonprofit.** A nonprofit organization that meets all the following criteria: (i) has as its primary purpose the fostering of brotherhood and mutual benefits among its members; (ii) is organized under a lodge or chapter system with a representative form of government; (iii) follows a ritualistic format; and (iv) is comprised of members who are elected to membership by vote of the members.
- **Qualified political committees.** A national or state committee of a political party, the Republican and Democratic Senatorial Campaign Committees, the Democratic National Congressional Committee, and the National Republican Congressional Committee.

National committee means the organization which, by virtue of the bylaws of a political party, is responsible for the day-to-day operation of such political party at the national level.

State committee means the organization which, by virtue of the bylaws of a political party, is responsible for the day-to-day operation of such political party at the state level.

- **State or local voting registration officials** when making a mailing required or authorized by the National Voter Registration Act of 1993.

1300 Periodicals**1300.1 Class Description**

- a. Aailable newspaper or other periodical publication must be authorized by the Postal Service to be mailed as Periodicals mail. An authorized publication must meet the qualifying criteria authorized by law, including:
 - The publication must be regularly issued at stated intervals at least four times a year, bear a date of issue, and be numbered consecutively;
 - The publication must maintain a known office of publication serviced by the original entry post office;
 - The publication must be formed of printed sheets; and
 - The publication must meet applicable editorial content, circulation, advertising, and other requirements of one of the following qualification categories established by law and as set forth by the Postal Service: general publications, requester publications, publications of institutions and societies, publications of state departments of agriculture, and foreign publications.
- b. Periodicals pieces are not sealed against postal inspection. Mailing of matter as Periodicals mail constitutes consent by the mailer to postal inspection of the contents, regardless of the physical closure.
- c. Use of Address Correction Service is mandatory with Periodicals mail, except for pieces using an alternative addressing format.
- d. Periodicals mail must meet presort preparation requirements.
- e. Periodicals pieces that are undeliverable-as-addressed will be forwarded, or returned to the mailer, or disposed of under conditions specified in the Domestic Mail Manual.
- f. An application fee to mail at Periodicals prices is required (1505.2).

Attachments and enclosures

- a. Periodicals mail may contain attachments, enclosures, and supplements under conditions set by the Postal Service, including when postage may be paid on the combined piece at the applicable price for the host piece, and when postage must be paid as if each component had been mailed separately.

- b. A limit of one USPS Marketing Mail “Ride-Along” attachment or enclosure, not exceeding 3.3 ounces or the weight of the host copy, may be included in an individual copy of Periodicals mail for an additional postage payment under conditions specified in the Domestic Mail Manual.

1425 Media Mail/Library Mail

1425.1 Description

Media Mail

a. The following items may be sent as Media Mail:

- Books, including books issued to supplement other books, of at least eight printed pages, consisting wholly of reading matter or scholarly bibliography, or reading matter with incidental blank spaces for notations and containing no advertising matter other than incidental announcements of books. Advertising includes paid advertising and the publishers' own advertising in display, classified, or editorial style;
- 16-millimeter or narrower width films, which must be positive prints in final form for viewing, and catalogs of such films of 24 pages or more (at least 22 of which are printed). Films and film catalogs sent to or from commercial theaters do not qualify for Media Mail;
- Printed music, whether in bound or sheet form;
- Printed objective test materials and their accessories used by or on behalf of educational institutions to test ability, aptitude, achievement, interests, and other mental and personal qualities with or without answers, test scores, or identifying information recorded thereon in writing or by mark;
- Sound recordings, including incidental announcements of recordings and guides or scripts prepared solely for use with such recordings. Video recordings and player piano rolls are classified as sound recordings;
- Playscripts and manuscripts for books, periodicals, and music;
- Printed educational reference charts designed to instruct or train individuals for improving or developing their capabilities. Each chart must be a single printed sheet of information designed for educational reference. The information on the chart, which may be printed on one or both sides of the sheet, must be conveyed primarily by graphs, diagrams, tables, or other nonnarrative matter. An educational reference chart is normally but not necessarily devoted to one subject. A chart on which the information is conveyed primarily by textual matter in a narrative form does not qualify as a printed educational reference chart for mailing at the Media Mail prices even if it includes graphs, diagrams, or tables. Examples of qualifying charts include maps produced primarily for educational reference, tables of mathematical or scientific equations, noun declensions or verb conjugations used in the study of languages, periodic table of

elements, botanical or zoological tables, and other tables used in the study of science;

- Loose-leaf pages and their binders consisting of medical information for distribution to doctors, hospitals, medical schools, and medical students; or
- Computer-readable media containing prerecorded information and guides or scripts prepared solely for use with such media.

Library Mail

- a. **Qualified Mailings Between Entities.** The following items may be mailed as Library Mail when sent between: (1) schools, colleges, universities, public libraries, museums, and herbariums and nonprofit religious, educational, scientific, philanthropic (charitable), agricultural, labor, veterans, and fraternal organizations or associations; (2) any such institution, organization, or association and an individual who has no financial interest in the sale, promotion, or distribution of the materials; or (3) any such institution, organization, or association and a publisher, if such institution, organization, or association has placed an order to buy such materials for delivery to itself:
- Books, consisting wholly of reading matter, scholarly bibliography, or reading matter with incidental blank spaces for notations and containing no advertising, except for incidental announcements of books;
 - Printed music, whether in bound or sheet form;
 - Bound volumes of academic theses, whether in typewritten or duplicated form;
 - Periodicals, whether bound or unbound;
 - Sound recordings;
 - Other library materials in printed, duplicated, or photographic form or in the form of unpublished manuscripts; or
 - Museum materials, specimens, collections, teaching aids, printed matter, and interpretive materials for informing and furthering the educational work and interests of museums and herbariums.

- b. Qualified Mailings “To” or “From”. The following items may be mailed as Library Mail when sent to or from schools, colleges, universities, public libraries, museums, and herbariums and to or from nonprofit religious, educational, scientific, philanthropic (charitable), agricultural, labor, veterans, or fraternal organizations:
- 16-millimeter or narrower width films, filmstrips, transparencies, slides, and microfilms. All must be positive prints in final form for viewing;
 - Sound recordings;
 - Museum materials, specimens, collections, teaching aids, printed matter, and interpretive materials intended for informing and furthering the educational work and interests of museums and herbariums;
 - Scientific or mathematical kits, instruments, or other devices; or
 - Catalogs of any of these specified materials and guides or scripts prepared solely for use with such materials.

1425.2 Size and Weight Limitations

	Length	Height	Thickness	Weight
Minimum	large enough to accommodate postage, address, and other required elements on the address side			none
Maximum	108 inches in combined length and girth			70 pounds ¹

Notes

1. An overweight item charge of \$100 applies to pieces found in the postal network that exceed the 70-pound maximum weight limitation. Such items are nonmailable and will not be delivered. As described in the Domestic Mail Manual, this charge is payable before release of the item, unless the item is picked up at the same facility where it was entered.

1505 Ancillary Services

1505.1 Address Correction Service

1505.1.1 Description

- a. Address Correction Service provides a mailer, upon request, both an addressee's former and current addresses, if the correct address is known to the Postal Service or, if not known, the reason for non-delivery.
- b. Address Correction Service is available for postage-prepaid mail of all classes, except for mail addressed for delivery at any military installation and for Customized MarketMail pieces.
- c. Address Correction Service is mandatory for Periodicals mail, except for pieces using an alternative addressing format.
- d. Full-service, Automated and Electronic Address Correction Service is available to mailers who can receive computerized address corrections and meet barcoding, address hygiene, and other mail preparation requirements.
- e. Full-service Address Correction Service is only available for mailings of First-Class Mail automated letters, cards, and flats, USPS Marketing Mail automation letters and flats; USPS Marketing Mail Carrier Route, High Density, and Saturation letters; Periodicals Outside County barcoded or Carrier Route letters and flats; Periodicals In-County automation or Carrier Route letters and flats; and Bound Printed Matter barcoded Presort non-DDU flats. The mailings must comply with the requirements for the Full-service Intelligent Mail option. In addition, Full-service Address Correction Service is available for qualifying Basic IMb and non-automation First-Class Mail and USPS Marketing Mail letters and flats, submitted by qualifying Full-service mailers.

1505.2 Applications and Mailing Permits

1505.2.1 Description

Payment of an application, mailing, or permit fee is required to mail certain products. Many of the fees apply at the class level and encompass the associated products. Fees that apply to particular special services are included in the price schedules for those special services.

Mailing Fees

First-Class Mail

A mailing fee must be paid once each 12-month period at each office of mailing by any person who mails at the presorted or automation prices, except for qualifying Full-service Intelligent Mail barcode mailings. Payment of the fee allows the mailer to mail at any First-Class Mail or First-Class Package Service price.

USPS Marketing Mail

A mailing fee must be paid each 12-month period for each permit used to mail USPS Marketing Mail except for qualifying Full-service Intelligent Mail barcode mailings.

Periodicals

Each authorized Periodicals publication must pay the application fee for one original entry authorization at the Post Office where the office of publication is maintained. A re-entry application fee must be paid whenever the publisher changes the publication's title, frequency of issue, office of original entry, or qualification category. Prior to entering Nonprofit, Classroom, and Science of Agriculture Periodicals mail, a publication must obtain an additional Postal Service entry authorization to mail at those prices. Periodicals mail may be entered only by publishers or registered news agents. A news agent is a person or concern engaged in distributing two or more Periodicals publications published by more than one publisher. News agents must register at each Post Office at which they enter Periodicals mail, and pay the appropriate application fee.

Package Services

A mailing fee must be paid once each 12-month period to mail at any destination entry Bound Printed Matter price, except for qualifying Full-service Intelligent Mail barcode mailings, or if a mailer uses Bound Printed Matter to mail parcels only.

Permit Imprint Application Fee

- a. A fee is charged for application to use a permit imprint as a method of payment.
- b. This fee does not apply to mailers using the Electronic Verification System (eVS) or Priority Mail Express Manifesting (PMEM) payment methods, or to mailers using a permit imprint to mail only Priority Mail Express, Priority Mail, First-Class Package Service, Parcel Select (including Parcel Select Lightweight), Bound Printed Matter Parcels, Media Mail, or Library Mail.

1505.3 Business Reply Mail

1505.3.1 Description

- a. Business Reply Mail service allows a permit holder or its representative to distribute postcards, envelopes, cartons and labels that can be used to send First-Class Mail, First-Class Package Service, or Priority Mail pieces to an address chosen by the distributor without prepayment of postage.
- b. A permit to distribute Business Reply Mail must be obtained from each office to which mail is addressed for delivery, except that only one permit is required for Business Reply Mail to be returned to the permit holder's branches or agents in other cities.
- c. The permit holder guarantees payment on delivery of postage and fees for the Business Reply Mail pieces including any pieces that the addressee refuses.
- d. The permit holder must pay an annual account maintenance fee when an advance deposit account is used to pay the postage and fees.

1505.4 Bulk Parcel Return Service

1505.4.1 Description

- a. Bulk Parcel Return Service provides a method whereby high-volume parcel mailers may have machinable parcels, initially mailed as USPS Marketing Mail (Commercial and Nonprofit) or Parcel Select Lightweight parcels, returned to designated postal facilities for pickup by the mailer at a predetermined frequency, or delivered in bulk by the Postal Service in a specified manner and frequency. Such parcels may be returned because they are: undeliverable-as-addressed; have been opened, resealed, and redeposited into the mail for return to the mailer using a mailer provided return label; or are found in the mailstream, having been opened, resealed, and redeposited by the recipient for return to the mailer.
- b. To claim eligibility for Bulk Parcel Return Service at each facility through which the mailer requests Bulk Parcel Return Service, the mailer must demonstrate receipt of 10,000 returned machinable parcels at a given delivery point in the previous 12-month period or must demonstrate a high likelihood of receiving 10,000 returned parcels in the postal fiscal year for which the service is requested.
- c. Mailers must receive authorization from the Postal Service to use Bulk Parcel Return Service.

1505.5 Certified Mail

1505.5.1 Description

- a. Certified Mail service provides a mailer of First-Class Mail, First-Class Package Service, or Priority Mail with a mailing receipt and electronic confirmation of the date, location, and time of the delivery or attempted delivery. If the initial attempt to deliver the article is not successful, a notice of attempted delivery is also provided to the addressee.
- b. If the item is successfully delivered, the Postal Service maintains a record of delivery (including the recipient's signature) for two years. If the item is returned to the sender, the Postal Service does not retain the sender's return signature as part of the record of delivery.
- c. Electronic confirmation notices may be obtained over the internet, by telephone, via mobile smartphone application, or by electronic file transfer for mailers who provide an electronic manifest.
- d. To obtain a mailing receipt, a mailer must mail the article at a Post Office, branch, station, or business mail entry unit, or give the item to a rural carrier.
- e. Certified Mail service may be requested only at time of mailing.
- f. Certified Mail service also can be combined with these optional features at the price provided in 1505.5.2:
 - Restricted Delivery, which directs delivery only to the addressee or addressee's agent. The addressee must be an individual (a natural person) specified by name;
 - Adult Signature Required, which requires the signature of anyone 21 years of age or older at the recipient address; and
 - Adult Signature Restricted Delivery, which requires the signature of the addressee only, who must be 21 years of age or older.

1505.6 Certificate of Mailing

1505.6.1 Description

- a. Certificate of Mailing service furnishes evidence that mail has been presented to the Postal Service for mailing. Two types of Certificate of Mailing service are offered:
- b. Certificate of Mailing (Forms 3817 and 3665): furnishes evidence that pieces addressed to specific individuals were presented to the Postal Service for mailing using First-Class Mail, First-Class Package Service, Priority Mail, Package Services, Parcel Return Service, and USPS Retail Ground.
- c. Certificate of Bulk Mailing (Form 3606): Only furnishes evidence that a number of identical-weight pieces were presented to the Postal Service for mailing using First-Class Mail, First-Class Package Service, Priority Mail, USPS Marketing Mail (except Customized MarketMail), Parcel Select, Package Services and USPS Retail Ground.
- d. Certificate of Mailing service does not include retention of a record of mailing by the Postal Service or provide evidence of delivery.
- e. A mailer may, upon request and payment of the appropriate fee, obtain an additional Certificate of Mailing on terms specified in the Domestic Mail Manual.
- f. Certificate of Mailing service may be requested only at time of mailing.

1505.7 Collect on Delivery

1505.7.1 Description

- a. Collect on Delivery (COD) service allows mailers of Priority Mail Express, First-Class Mail, First-Class Package Service, Priority Mail, Package Services, Parcel Select (excluding Parcel Select Lightweight), and USPS Retail Ground pieces to send an article for which the mailer has not received full or partial payment (of \$1,000.00 or less) and have that payment, the cost of postage and fees, and anticipated or past due charges collected by the Postal Service from the addressee when the article is delivered.
- b. COD service also provides, as optional features at additional fees:
 - Restricted Delivery, which directs delivery only to the addressee or addressee's agent. The addressee must be an individual (a natural person) specified by name.
 - Registered COD, which combines Registered Mail with COD services. The total fees include the proper registry fee for the value declared plus the registered COD fee. Fees and additional details are listed under Registered Mail (1505.14).
- c. If delivery is attempted, but not successful, a notice will be provided to the addressee. COD customers may also elect to have the piece held for pickup at a local Post Office. If such an election is made, notice will be provided to the addressee instructing them to pick up their COD item at a particular Post Office.
- d. The mailer guarantees to pay any return postage unless otherwise specified on the mailpiece.
- e. The mailer may designate a new addressee by using Package Intercept service (2645.2).
- f. A claim for loss or damage may be filed as specified in the Domestic Mail Manual.
- g. COD service is not available for: collection agency purposes; return of merchandise, unless the new addressee has consented in advance to such return; parcels containing motion pictures mailed by exhibitors to motion picture manufacturers, distributors, or exchanges; goods that have not been ordered by the addressee; or for sending bills or statements of indebtedness only. However, when a legitimate COD shipment consists of merchandise or bill of lading, the balance due on a past or anticipated transaction may be included in the charges on a COD article, provided that the addressee has consented in advance to such action.

- h. COD service may only be requested at the time of mailing and the piece must be presented to a rural carrier or a postal employee at a Post Office, branch, station (including any authorized contractor), or business mail entry unit, for mailing.

1505.8 USPS Tracking

1505.8.1 Description

- a. USPS Tracking service provides mailers of USPS Marketing Mail parcels, Package Services, Priority Mail, Parcel Select, USPS Retail Ground, and First-Class Package Service pieces with end-to-end tracking updates, including confirmation of delivery, as the item travels to its destination.
- b. USPS Tracking service is automatically included with the purchase of items sent via Package Services, Priority Mail, Parcel Select, USPS Retail Ground, and First-Class Package Service.
- c. USPS Tracking service does not include the collection of any recipient signatures.
- d. Tracking updates may be obtained over the internet, by telephone, via mobile smartphone application, or by electronic file transfer for mailers who provide an electronic manifest. Tracking updates include the location, date, and time of: delivery or attempted delivery, the item's arrival and departure from certain postal facilities, and if the item is forwarded or returned to the sender.
- e. USPS Tracking service may only be obtained at the time of mailing by: applying a unique tracking barcode prior to mailing; or presenting the item at a Post Office, branch, station (including any authorized contractor), or self-service kiosk, for mailing.

1505.9 Insurance

1505.9.1 Description

- a. Insurance may be obtained only at the time of mailing and provides the mailer with indemnity for loss, damage, or missing contents for merchandise mailed using Priority Mail Express, Package Services, Parcel Select, USPS Retail Ground, USPS Marketing Mail parcels, or items included in pieces sent via First-Class Mail, First-Class Package Service, or Priority Mail, if the contents would be eligible to be mailed using USPS Marketing Mail, USPS Retail Ground, or Package Services.
- b. Insurance provides the mailer with a receipt for each item mailed and indemnity for up to the actual value of the article at the time of mailing. An Insurance claim (except for the bulk insurance option) for damage or for partial loss may be filed.
- c. For Insurance articles insured for \$500.00 or less, the Postal Service maintains delivery information (not including a signature) for six months. For articles insured for more than \$500.00, the Postal Service maintains a delivery record (which includes the recipient's signature) for two years, and provides the delivery record to the customer, upon request. If the article is returned to the sender, the Postal Service does not include the sender's return signature as part of the delivery record.
- d. For articles insured for more than \$500.00, Insurance service also provides, as an optional feature:

Insurance Restricted Delivery, which directs delivery only to the addressee or addressee's agent. The addressee must be an individual (a natural person) specified by name.
- e. If the initial attempt to deliver the article is not successful, a notice of attempted delivery is provided to the addressee.
- f. Undeliverable-as-addressed insured mail will be returned to the sender as specified by the sender or as specified in the Domestic Mail Manual.
- g. Indemnity will not be paid by the Postal Service for loss, damage, or missing contents: of nonmailable matter; due to improper packaging; due to seizure by any agency of government; due to war, insurrection or civil disturbances; or as specified in the Domestic Mail Manual.
- h. For negotiable items, currency, or bullion, the maximum liability is \$15.00.

- i. Insurance is not available for matter offered for sale and addressed to a prospective purchaser who has not ordered or authorized its sending.
- j. For Priority Mail Express pieces, Insurance coverage is provided, for no additional charge, up to \$100.00 per piece for document reconstruction, up to \$5,000.00 per occurrence, regardless of the number of claimants.

Bulk Insurance Option

- a. Insurance includes a Bulk Insurance option that is available for USPS Marketing Mail parcels and Parcel Select pieces entered as specified in the Domestic Mail Manual.
- b. Bulk Insurance provides indemnity for the lesser of: the actual value of the article at the time of mailing, or the wholesale cost of the contents to the sender. For Bulk Insurance, all claims must be filed by the mailer.

1505.12 Registered Mail

1505.12.1 Description

- a. Registered Mail service provides added protection to First-Class Mail, First-Class Package Service, and Priority Mail pieces, and provides indemnity in case of loss, damage, or missing contents. The amount of indemnity depends upon the actual value of the article at the time of mailing, up to a maximum of \$50,000.00. Articles with a declared value of more than \$50,000.00 can be registered, but compensation for loss, damage, or missing contents is limited to \$50,000.00.
- b. Registered Mail service also provides the mailer with a mailing receipt and electronic confirmation of the location, date, and time of delivery or attempted delivery. If the initial attempt to deliver the mailpiece is not successful, a notice of attempted delivery is provided to the addressee. A notice of nondelivery is provided when a Registered Mail piece is undeliverable-as-addressed and cannot be forwarded.
- c. Registered Mail service also provides, as optional features at an additional fee:

Registered Mail Restricted Delivery which directs delivery only to the addressee or addressee's agent. The addressee must be an individual (a natural person) specified by name.

Registered COD which receives COD treatment for mail handled the same as other Registered Mail. The maximum amount collectible from the recipient on one article is \$1,000.00. Indemnity is included up to the registry limit of \$50,000 by paying the registry fee for the value declared. The total fees charged for registered COD service include the proper registry fee for the value declared plus the registered COD fee. The mailer must declare the full value of the article being mailed, regardless of the amount to be collected from the recipient.

- d. If the item is successfully delivered, the Postal Service maintains a record of delivery (including the recipient's signature) for 2 years. If the item is undeliverable-as-addressed or returned to the sender, the Postal Service does not retain the sender's return signature as part of the record of delivery.
- e. Electronic confirmation notices may be obtained over the internet, by telephone, via mobile smartphone application, or by electronic file transfer for mailers who provide an electronic manifest.
- f. Registered Mail is forwarded and returned without an additional registry charge.
- g. Restrictions on the availability of Registered Mail service may apply, and specific mail preparation requirements must be met.

- h. Indemnity claims for Registered Mail must be filed within a specified period of time from the date the article was mailed. A claim concerning complete loss of registered articles may be filled by the mailer only. A claim concerning damage to or partial loss of registered articles may be filed by either the mailer or addressee.
- i. Registered Mail service is only available at the time of mailing and may only be purchased by presenting the article at a Post Office, branch, station, or business mail entry unit.

1510.2 International Registered Mail

1510.2.1 Description

Outbound International Registered Mail

- a. Outbound International Registered Mail service provides additional protection and security in dispatch and conveyance in the United States for items mailed as First-Class Mail International. In the United States, registered mail items are handled separately from all other mail and are kept in a secure area with restricted access. In destination countries, registered mail items are handled in accordance with the internal procedures of the destination country.
- b. Registered items may weigh up to 4 pounds.
- c. For each registered item a mailing receipt is issued by the office of mailing and a record of delivery is maintained at the office of destination.
- d. Regardless of the declared value of a registered item, the maximum amount of indemnity payable for loss, damage, or missing contents is limited to the amount set by UPU Letter Post Regulations Article RL 155.4. This information is available in the Letter Post Manual at www.upu.int.
- e. Outbound International Registered Mail service is subject to both U.S. Postal Service requirements specified in the International Mail Manual and the prohibitions and restrictions of the destination country.

Inbound International Registered Mail

- a. Inbound International Registered Mail Service is available for inbound letter post items. Inbound Registered Mail pieces are entered, identified, and accepted at the International Service Center and are conveyed in the domestic First-Class Mail stream to the office of delivery. A signed receipt is obtained at the time of delivery. Indemnity in the event of loss or damage is limited to the amount set by the Universal Postal Convention. Inbound Registered Mail service is subject to both the regulations of the country of origin and U.S. Postal Service. Indemnity between administrations is reciprocal.

1515 Address Management Services

1515.1 Description

Address Management Services ensure that address elements and address lists are correct and up-to-date. In addition to providing software or information about ZIP Code lists, addresses, or moves, the services also include certifying systems to ensure that the proper address information is used. Some services allow the purchaser or licensee to make unlimited copies or to make additional copies for a fee.

Address Sequencing

Address Sequencing service provides for the removal of incorrect addresses, notation of missing addresses, and addition of missing addresses.

AEC II (Address Element Correction II) Service

AEC II Service sends addresses with errors that cannot be resolved through other Address Management services to the field for resolution based on knowledge of delivery personnel. The mailer is provided with the correct address or with information that the address is not a recognized deliverable address.

AIS (Address Information System) Viewer

The AIS Viewer is an interactive software that provides the ability to retrieve, view, and print accurate and current ZIP Code information for all 50 states on demand, eliminating hardcopy reports.

CRIS (Carrier Route Information System)

The CRIS service provides reference information needed to apply carrier route codes to addresses. Copying is allowed for an additional fee.

CASS (Coding Accuracy Support System) Certification

CASS evaluates and certifies the accuracy of address-matching software that applies ZIP + 4, DPV (Delivery Point Validation), LACS^{Link} (Locatable Address Conversion Service), CRIS (Carrier Route Information System), DSF² (Delivery Sequence File—2nd Generation), eLOT (enhanced Line of Travel), RDI (Residential Delivery Indicator) and Five-Digit ZIP. The Postal Service certifies software meeting its standards until the expiration of the applicable CASS cycle. Software must be re-certified for each CASS cycle. Ordinarily, a CASS testing cycle extends from August 1st through July 31st of the next year, and permits software use until the following July 31st.

Change-of-Address Customer Notification Letter Reprint

Change-of-Address Customer Notification Letter Reprint provides customers with a copy of the letter that is sent to the customer's new address following the filing of a Change-of-Address order with the Postal Service.

Change-of-Address Information for Election Boards and Registration Commissions

Change-of-Address Information for Election Boards and Registration Commissions service provides election boards and voter registration commissions with the current address of a resident addressee, if known to the Postal Service.

City State

The City State service is a comprehensive ZIP Code list associated with the appropriate city, county, and Post Office names. Copying is allowed for an additional fee.

CDS (Computerized Delivery Sequence)

CDS service provides and updates delivery sequence address information by carrier route for qualified mailers. The CDS No Stat service provides and updates nondelivery address information about new construction and rural route vacancies by carrier route for qualified mailers.

Correction of Address Lists

Correction of Address Lists service provides current information concerning name and address mailing lists or correct information concerning occupant mailing lists to certain owners of such lists. New names will not be added to a name and address mailing list, and street address numbers will not be added to or changed for an occupant mailing list.

Delivery Statistics

The Delivery Statistics service provides statistical information regarding delivery by carrier route and Post Office Box section. Copying is allowed for an additional fee.

DPV (Delivery Point Validation) System

The DPV System, in conjunction with CASS Certified address matching software, validates delivery points. Unlimited sub-licensing is allowed by software developers without further payment.

DSF² (Delivery Sequence File—2nd Generation) Service

The DSF² Service is used to check mailing address accuracy, identify address types, and obtain walk sequence numbers. The DSF² database is the most complete Postal Service address database available, containing every deliverable mailing address in the United States, and is used to: verify that address lists are correct and complete, identify business versus residential addresses, recognize commercial mail receiving agencies, provide walk sequence numbers and postal codes, identify seasonal addresses, detect addresses vacant for over 90 days, and categorize addresses by delivery type, e.g., curbside, door slot, box, etc. DSF² processing includes address standardization that may be used to apply for CASS (Coding Accuracy Support System) qualification.

eLOT (enhanced Line of Travel) Service

eLOT service gives mailers the ability to sort their mailings in approximate carrier-casing sequence. Copying is allowed for an additional fee.

Five-Digit ZIP

The Five-Digit ZIP service provides detailed street data for multi-coded cities (*i.e.*, cities that have more than one 5-Digit ZIP Code number), so that the proper ZIP Code number can be identified. Copying is allowed for an additional fee.

Labeling Lists

Labeling Lists contain destination ZIP Code numbers with the corresponding Postal Service facility destination information. Copying is allowed for an additional fee.

LACS^{Link} (Locatable Address Conversion Service)

LACS^{Link} service provides mailers an automated method of obtaining new addresses when rural style addresses are converted to streetstyle addresses. The three types of licenses are:

- Interface Developer which grants the right to develop an interface between address-matching software and the LACS^{Link} database service;
- Interface Distributor which grants the right to sub-license the interface and the LACS^{Link} database service to third parties; and
- End User which grants the right to obtain the LACS^{Link} database service directly from the Postal Service for use in updating mailing lists.

MAC (Manifest Analysis and Certification) Batch System Certification

The MAC Batch System Certification service evaluates and certifies that manifest/presort mailing products accurately list and calculate postage for presorted non-identical piece mailings consistent with DMM, IMM and Manifest Mailing System processing standards. Software is certified until the expiration of the applicable MAC Batch System cycle.

MAC (Manifest Analysis and Certification) Gold System Certification

The MAC Gold System evaluates and certifies that manifest mailing systems (software, weigh scales, and label printers) accurately list and calculate postage for non-identical piece mailings consistent with DMM, IMM and Manifest Mailing system itemized pricing standards. Software is certified until the expiration of the applicable MAC Gold System cycle.

MAC (Manifest Analysis and Certification) System Certification

The MAC System evaluates and certifies that manifest mailing software accurately lists and calculates postage for non-identical piece mailings consistent with DMM, IMM and Manifest Mailing System standards, until the expiration of the applicable MAC System cycle.

MASS (Multiline Accuracy Support System) Certification

MASS provides certification for multiline optical character readers, remote video encoding, local video encoding, and encoding stations (equipment). The MASS certification process is designed to evaluate the ability of the equipment to process address information using CASS (Coding Accuracy Support System) Certified™ software, and apply an accurate delivery point barcode to a mailpiece. The Postal Service separately certifies the equipment for a manufacturer and the user. Certified equipment can be used until the expiration of the

applicable MASS cycle. Ordinarily, a MASS testing cycle extends from August 1st through July 31st of the next year, and permits use until the following July 31st. ~~One-half the applicable fee is charged for recertification of a machine due to a move, transfer, or upgrade of the system.~~ The initial MASS Certification test is provided at no charge and each subsequent test must pay the applicable fee.

NCOA^{Link} (National Change of Address) Service

The NCOA^{Link} service makes change-of-address information for moves available to mailers. The six types of licenses are:

- NCOA^{Link} Interface Developer which grants the right to develop a software interface between address-matching software and the NCOA^{Link} service database;
- NCOA^{Link} Interface Distributor which grants the right to unlimited sublicensing of software interfaces developed pursuant to an NCOA^{Link} Interface Developer License;
- NCOA^{Link} Full Service Provider (FSP) which grants the right to perform address list updating services for both the licensee and third party mailers using 48 months of change-of-address data. Postal Service database services such as DPV and LACS^{Link} are included;
- NCOA^{Link} Limited Service Provider (LSP) which grants the right to perform address list updating services for third party mailers, as well as for licensee's own mail using 18 months of change-of-address data;
- NCOA^{Link} End User Mailer (EUM) which grants a mailer the right to perform address list updating for its own mail using 18 months of change-of-address data; and
- NCOA^{Link} Mail Processing Equipment (MPE) which grants a mailer the right to perform address updating directly onto its mailpieces using 18 months of change-of-address data and a multiline optical character reader (MLOCR).

The Postal Service tests the systems under the Developer, FSP, LSP, and MPE licenses to ensure that they meet Postal Service performance requirements.

NCOA^{Link} (National Change of Address) Service—ANK^{Link} (Address Not Known) Service Option

ANK^{Link} provides an option for NCOA^{Link} Limited Service Provider and End User Mailer licensees to acquire an additional 30 months of change-of-address information. ANK^{Link} informs mailers that a

customer has moved, along with the move effective date. It does not provide the new address.

Official National Zone Charts

The Official National Zone Charts identify the appropriate distance code assigned to each originating and destination pairing for every ZIP Code in the nation. Copying is allowed for an additional fee.

PAGE (Presort Accuracy, Grading, and Evaluation) System Certification

The PAGE System evaluates and certifies the accuracy of publication and print planning (PPP) software that calculates virtual copy weight and the percentage of advertising consistent with DMM Periodicals price computation standards, and certifies users of PPP software who demonstrate knowledge of the software for Periodicals mailings based on DMM standards and applicable Postal Service Customer Support Rulings. Software and users are certified until the expiration of the applicable PAGE cycle.

PAVE (Presort Accuracy, Validation, and Evaluation) System Certification

The PAVE System evaluates and certifies the accuracy of presort software that sorts mailing lists consistent with DMM mail preparation standards. Software is certified until the expiration of the applicable PAVE cycle.

RDI (Residential Delivery Indicator) Service

The RDI data service verifies whether a delivery type is classified as residential or business. Copying is allowed for an additional fee.

Z4

CHANGE

The Z4CHANGE service provides the information necessary to facilitate frequent and cost-effective updating of very large computerized mailing lists for automation compatibility and improved deliverability. Copying is allowed for an additional fee.

Z4INFO

Z4INFO is an add-on utility to the ZIP + 4 service that can be integrated into address-matching software to improve address quality.

ZIP + 4 Service

The ZIP + 4 service is the base reference that can be used to assign the correct ZIP + 4 Code associated with a physical address. Copying is allowed for an additional fee.

ZIPMove

The ZIPMove data file assists address-matching software in providing up-to-date, accurate ZIP + 4 codes. Copying is allowed for an additional fee.

ZIP Code Sortation of Address Lists

ZIP Code Sortation of Address Lists service provides sortation of addresses to the finest possible ZIP Code level.

99 Percent Accurate Method

The 99 Percent Accurate Method provides testing of mailers' address lists to determine how up-to-date the lists are. Lists deemed to meet threshold requirements are considered to be Move Update compliant.
